EXPLANATION.—In the Table at the head of the page are the Years of the Century, and above each of which is the Domical Letter corresponding with that Year. Then, opposite to the Month and Week, at the Foot of the second Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Table at the head shows the year following to be Leap Year; and as every Leap Year has two Domical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other Months, use the Letters belonging to the respective Years.

INLAND POSTAGE REGULATIONS.

Letter Postage.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows, *if paid in advance* :—

Letter weighing not more than $\frac{1}{2}$ oz.	1d
" " more than $\frac{1}{2}$ oz., but not exceeding 1 oz. ...	2d
" " more than 1 oz., " " 2 oz. ...	4d
" " more than 2 oz., " " 3 oz. ...	6d

and so on, twopence being charged for every additional ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, breadth, or depth. The only *exceptions* to these regulations are in the case of—1. Parliamentary Proceedings, or Addresses to Her Majesty—2. Petitions to either Houses of Parliament, forwarded to any Member of such House—3. Printed votes or proceedings of Parliament.—4. Letters or packets to or from

public departments or public officers in Her Majesty's service—5. Letters, &c. to or from places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery, but letters exceeding in weight four ounces, will be charged with *double* the amount of the difference between the stamps affixed and the prepaid rates, and be either detained and opened, and returned to the sender, or forwarded at the option of the Postmaster General.

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

Periodical Publications, including Newspapers.

Periodical publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to Newspapers) may be transmitted or re-transmitted through the post within the United Kingdom free from postage, under the following regulations, viz:—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table:—

Amount of Stamps impressed on the Publication	Maximum Number of Sheets	Maximum Superficial Extent of Letterpress on one side
One Penny.....	Two.	2,295 inches.
Three Halfpence.....	Three.	3,443 "
Twopence	Four.	4,591 "

The impressed stamp on each publication [must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so as that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view; and when, in the same cover, there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or card board, or on two or more thicknesses of paper pasted together, nor must any pasteboard, card board, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vender who sends it.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d., must be affixed.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom, and to the Colonies, under the regulations of the Book Post.

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

Registration of Letters, &c.

By the prepayment of a fee of Sixpence (which must be made not in money but by affixing stamps) letters, books, or other packets paying *ordinary* postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery.

... 1 lb.	...	1½ lb.	6d.

and so on, increasing 2d per half-pound, or any less weight.

Book Packets limited in length, width, and depth, to two feet.

Conditions on which Books are forwarded at the above rates.

The postage must be fully prepaid, by means, of postage stamps affixed.

Every packet must either have no cover, or a cover open at the ends. It may contain any number of separate books or other publications, prints or maps, and any quantity of paper parchment, or vellum, either printed written, plain or any mixture of the three; together with whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto; to the exclusion of letters sealed or open, or any enclosure sealed or otherwise closed against inspection, or any letter or any communication of the nature of a letter written or printed in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d.) it is forwarded, charged with the deficient book postage, together with an additional rate of a penny, but any packet which bears no postage stamp is charged with the "unpaid" letter postage.

COLONIAL BOOK POSTAGE.

" more than 4 oz. but not exceeding 8 oz.	8d.
" " 8 oz.	"	"	1 lb.	1s. 4d.
" " 1 lb.	"	"	1½ lb.	2s. 0d.

and so on; 8d. being charged for every additional half-pound or fraction of a half-pound.

Charges to every other British Colony:—

Weighing not more than 4 oz.	3d.
" more than 4 oz. but not exceeding 8 oz.	6d.
" " 8 oz.	"	"	1 lb.	1s. 0d.
" " 1 lb.	"	"	1½ lb.	1s. 6d.

and so on; 6d. being charged for every additional half-pound or fraction of a half-pound.

FOREIGN AND COLONIAL NEWSPAPER REGULATIONS.

Newspapers sent abroad are liable to the same regulations as Newspapers circulating (under the Newspaper privilege), through the United Kingdom, except that, before going abroad, the name of the Newspaper must have been registered at the General Post Office, and that instead of requiring to have an impressed stamp, each Newspaper, if sent to a British Colony, is liable to a postage of one penny (which must be prepaid by a postage label or in money), together with an additional postage (as shown in the Table of Colonial and Foreign postage) when the Newspaper has to pass through a foreign country. In all cases of Newspapers going abroad, the impressed stamp stands for nothing.

RATES OF POSTAGE OF FOREIGN AND COLONIAL LETTERS, &c.

For Explanations, Exceptional Rates, &c., see page 66. The following Tables are subject to alteration during the Year.

OPTIONAL OR COMPULSORY PREPAYMENT.—"v."—The letter v prefixed to a division (as that of Letters) indicate that in such case Prepayment is voluntary, unless the Letter be Registered. In other cases Prepayment is compulsory.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.—α The letter α prefixed to any division (as that of Letters or Newspapers) shows that the postage there entered does not carry the Letter, &c., from the place where it is posted in the United Kingdom entirely free to

its place of destination, but that it is liable to a further charge upon delivery.

ROUTES.—When the route by which a Letter, &c., is to go is not marked on it, it will, under ordinary circumstances, be sent by the route immediately following the name of the place. Thus, a Letter or Newspaper directed to India, with no route marked on it, will be sent via Marseilles, and charged the higher postage attendant thereon.

EXCEPTIONAL RATES OF POSTAGE.—Rates of Postage chargeable upon Newspapers, Gazettes, Periodical Works, Stitched or Bound Books, Pamphlets, Sheets of Music, Catalogues, Prospectuses, Announcements, and Notices of various kinds, whether printed, engraved, or lithographed, addressed to Belgium, France, Algeria, or the French offices in Turkey, Syria, and Egypt; which rates must be paid in advance.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Belgium, Bremen, Hamburg, Holland, Prussia, and the United States at the following rate, *which must be prepaid*; not exceeding 2 oz., 1d.; 2 oz., and not exceeding 3 oz., 6d.; 3 oz., and not exceeding 4 oz., 8d.; with an addition of 2d. for every additional ounce up to 16 ounces above which weight the privilege does not extend; and, at the same rate of postage, pamphlets, even though they are not periodicals, may be sent to the United States, if not exceeding 8 oz.

B. The privilege of the Book Post to and from India and New South Wales is limited to packages not exceeding 3 pounds in weight. Any package weighing more than 3 pounds, is liable to the Letter Rate of Postage.

G.U. According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than 1½ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any Letters, then, forwarded in the Mail to Prussia, above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

REGISTRATION OF LETTERS.—By the prepayment of the ordinary postage, and the usual British registration fee of 6d, Letters, Newspapers, and Book-packets can be registered, irrespective of weight, between this country and the British West Indies, British North America, Sierra Leone, Gold Coast, St. Helena, Cape of Good Hope, Natal, Mauritius, South Australia, Western Australia, Malta, Gibraltar, and Ceylon; and *Letters* may, on the same terms, be registered to Belgium, Luxemburg (via Belgium), Holland, and countries through Holland, Sardinia, the United States, India, and Liberia. By the prepayment of a fee of 9d., irrespective of weight, and of the usual postage. Letters may be registered to Prussia, and to those countries, the correspondence of which is, as a rule, sent through Belgium, or addressed "via Belgium," except Holland and Luxemburg; and, by the prepayment of a fee of 11d., irrespective of weight and of the usual postage, Letters may be registered to Tuscany, Parma, and Modena, as also to Venetian Lombardy, and to other parts of the Austrian dominions, when addressed "via Sardinia. By the prepayment of the postage, and of a registration fee equal to the postage, Letters may be registered to France, and (except Sardinia, Tuscany, Parma, Modena, and Venetian Lombardy, for which see above) to countries, the correspondence for which is, as a rule, sent through France, and can be paid to destination. The countries to which Letters sent via France *cannot* be paid to destination are Spain, Portugal, the Ionian Islands, and those parts of Syria and Egypt where France does not maintain post offices. Letters for Russia not otherwise addressed are sent via Belgium and Prussia, and can be registered by that route by the prepayment of the postage, together with a registration fee, consisting of a fixed sum of 9d, and also of 3½d for every half-ounce, or fraction of a half-ounce. Thus, the prepayment to be made for a Letter not exceeding half an ounce to Russia is:—Postage, 11½d, and Registration Fee,

1s 0½d; together equal to 2s.* By the prepayment of the ordinary postage, and British registration fee of 6d, a Letter for any other place can be registered to the Port of Dispatch, and entered upon the Letter Bill, it being left, in these cases, to the postal authorities of the colony or foreign country to continue the registration if they think proper.

STAMPS AND MONEY.—Books must always be prepaid in stamps; the prepayment of Letters outwards (that is, from this country to places abroad) may be made in money or in English postage stamps.

WARM CLIMATES.—The practice of Sealing Letters passing to and from the *East and West Indies*, and other Warm Climates, with Wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury to the Letters, in consequence of the melting of the wax, and adhesion of the Letters to each other; the public are therefore recommended, in all cases, to use wafers in preference to wax in securing their Letters sent to *India*, or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

LIST OF POST OFFICES IN SCOTLAND.

Explanations.

When in the subjoined List *two* places are mentioned, the first is only a sub-office, and the second is the Head Office to which the first is subordinate.

In all cases the figures after a place show its distance in miles from the sub-office.

With few exceptions, all Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer to the Sub-office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any persons who may wish to remit money to the neighbourhood.

As regards *Town Receiving* Offices those only are entered at which Money order business is transacted; and these will be found under the names of the respective Head Offices.

Each Money Order Office is distinguished by an *o*.

The last word in the Address of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the Post-Office at that town is only a sub-office, in which case the Head Office to which this Office is subordinate must be added; and except also that where there are two Post Towns of the same name the county must be given.

Life Department.

THE POLICIES, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance.

The Premiums are strictly moderate.

The Participation Scheme was begun in 1840; and the oldest Policies for £1000, in connection with it, now becoming claims, are increased to £1271 19s. 1d; those for larger or smaller sums being proportionally augmented. Bonus additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums; the assured having their choice in all cases.

It is provided by the Company's Act of Incorporation that Investigations shall take place at intervals, not exceeding five years; and intermediate Bonuses being allowed when Policies, interested in one Investigation, become claims before another, advantages similar to those claimed for Annual Investigations are enjoyed.

The Business in the Participation Department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application at any of Offices or Agencies of the Company.

Fire Department.

Common, Hazardous, and Doubly Hazardous Risks are undertaken at the usual rate of 1s. 6d., 2s. 6d, and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

OBJECTS OF THE COMPANY.

THIS Company was Established in 1844, for the purpose of opening to the public an easy and safe mode of Investment, with a high rate of Interest.

PLAN OF OPERATIONS.

The Bank of Deposit differs from ordinary Banks in the mode of employing Capital—money deposited with this Company being principally lent upon well-secured Life Interests, Reversions in the Government Funds, or other property of undoubted value. This class of investment yields, it is well known, the greatest amount of profit, with ample security. Loans made by the Company are collaterally secured by Policies of Assurance on the lives of the Borrower, or their nominees, effected at rates of premium which ensure the validity of the Policies against every possible contingency, secure adequate profit to the Company, and provide for the expenses of management.

ORDINARY DEPOSIT ACCOUNT.

Accounts may be opened with sums of any amount, and increased from time to time, at the convenience of Depositors. A stock Voucher, signed by two Directors, is given for each sum deposited.

WITHDRAWAL OF ORDINARY DEPOSITS.

In order that the permanent and profitable investments in which the funds are employed may not be unnecessarily disturbed, power is reserved to require six months' notice of withdrawal. It being, however, one of the principal objects of the Institution to unite a popular system of investment with the greatest possible accommodation to the public, the Board have power to dispense with notice, and to allow parties, in cases of necessity, to withdraw the whole or any portion of their Deposits on Special Application.

RATE AND PAYMENT OF INTEREST.

The Interest, which has never been less than Five per cent. per annum on Ordinary Deposits, is payable in January and July, on the amount standing in the name of the Depositor on the 30th of June and 31st of December, and for the convenience of parties residing at a distance, may be received at the Branch Offices, or remitted through Country Bankers.

SPECIAL DEPOSITS.

Deposits made by Special Agreement for fixed periods can be withdrawn without notice. Deposits will also be received, and Interest allowed thereon, at the following rates, until further notice:—

With one month's notice of withdrawal.....	2½	per cent.	per annum.		
" two " " " " "	3	"	"	"	"
" three " " " " "	3½	"	"	"	"

THE BUSINESS carried on by this Association embraces every description of Risk contingent upon Human Life, and combines all the advantages of the MUTUAL and PROPRIETARY Systems of Assurance.

The Policies of the Association are secured by a protecting Capital of ONE MILLION Sterling, subscribed by a large and influential body of Proprietors.

The PARTICIPATION POLICIES receive valuable periodical additions from the profits of the extensive business carried on, both in Scotland and England, and thus present a most advantageous mode of Investment for Family Provision, with entire exemption from responsibility. At last Investigation, a BONUS of TWO PER CENT. PER ANNUM was added to the sums assured. Thus, a Policy opened in 1840 for £2000 was increased, at Christmas, 1846, to £2280.

LOANS granted, on approved personal security, in connection with Life Assurance.

ANNUITIES and ENDOWMENTS on favourable terms.

A NEW PAMPHLET, with full Tables of Rates, and Illustrations of the different Schemes of Assurance embraced in the business of the Association, may be obtained at the Head Office in Edinburgh, or from the Agents throughout Scotland.—By order of the Edinburgh Directors,

LIFE ASSURANCE.

THE system of the NORTH BRITISH INSURANCE COMPANY combines the benefit of Mutual Assurance with the safety of a large Protecting Capital, and affords all the facilities and advantages which can prudently be offered by any Life Assurance Office.

Advantages Offered by this Company.

1. Nine-tenths (90 per cent.) of the Profits, or, in other words, the whole of the Profits arising from the Life Business, after setting aside one-tenth for the guarantee, are divided among the Assured entitled to participate.
2. Bonuses may be added to the sum Assured, or surrendered for a cash payment, or applied to the reduction of the future Premiums.
3. A Prospective Bonus of one per cent. per annum is allowed on Policies which have subsisted for five years, which may become claims previous to the next Investigation in 1865.
4. The sum insured may be made payable at any given age, or at death, if it occur previously.
5. An ascending scale of Premiums, whereby Policies may be effected at the lowest possible rates.
6. On Insurances for the Whole Period of Life, half the Premium may remain on credit for the First Five Years, or one-third during the convenience of the party assured.
7. No Extra Charge for residence in British North America, the Cape, Australia (excluding the Diggings), New Zealand, Port Natal, and parts of the United States, and no licence required except for the voyage.

8. On proof of age, and by special application, Policies are declared unchallengeable from and after the expiry of Five Years from their date, and parties, on receiving a license, may go to any part of the world without incurring the forfeiture of their Policies—thus making the Policies of the Company good marketable securities.

9. Advances made on Policies, to the extent of the security they afford, when the value amounts to £50 and upwards.

10 No Entry-money or other charge. Policy Stamp paid by the Office.

NEW AND IMPORTANT ADVANTAGES.

To meet the exigencies of parties, and to render the benefits of Life Assurance more generally available, the Directors have adopted the following new and important principles:—

1. Application of Profits to the Purchase of an Annuity.

By this system a party not only secures the payment of the sum in the event of his death before 65, but at his option he may convert the Policy with its Bonuses into an equivalent Annuity commencing at 65.

2. Half Premium System.

By which a party may secure all the benefits of the Half Credit System without any debt being incurred.

3. Double Insurance System.

By which, for a moderate uniform Premium, a Policy may be secured, which will increase each year until, in 20 years, the sum in the Policy is doubled. This system is particularly advantageous to young lives.

For further explanation of the new principles, and for the Rates applicable thereto see the Company's Prospectus.

ANNUITIES.

1. IMMEDIATE ANNUITIES are granted on favourable terms.

2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of Premium.

3. SURVIVORSHIP ANNUITIES may be secured with or without return of Premium.

REVERSIONARY INTERESTS.

The Company are ready either to purchase Reversionary Interests and Life Rents, or to make advances on them to the extent of the security they afford.

FIRE INSURANCE.

The Company INSURES against FIRE—Silk, Cotton, Woollen, and Flax Mills, Buildings of all descriptions, Furniture, Stock in Trade, Merchandise, Agricultural Stock, Implements of Husbandry, and Effects of every kind, at the lowest rates of Premium corresponding to the risk.

Farming Stock is Insured without the Average Clause, and loss and damage by Lightning thereon made good.

No charge is made for Policies when the sum insured amounts to £300, or for Transfers from other Offices.

Insurance for seven years charged for six years only.

Losses settled with promptitude and liberality. A duty of 3s. per cent. per annum on all property Insured from Fire in Great Britain and Ireland is payable to Government, with the exception of Farming Stock and Public Hospitals, which are exempt.

The Company holds itself responsible for damage done by explosion of Gas, such explosion taking place within Buildings or in which this Company has insurance, without extra charge.

Prospectuses, containing Tables of Rates, and every other information, may be had at the Head Office in Edinburgh, or at any of the Company's Agencies in the country.

THIS SOCIETY was the First Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, East India Company, and most of the Public Companies, Bankers Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the Employer as to the person finding the Guarantee of private friends.

Employers, by the existence of this Society, are assured of the continued solvency of the surety of the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who becomes responsible for the acts of others.

Rates from 10s per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No charge is made for Stamp Duty, except in Special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.

THE UNIFORM PROMPTITUDE observed by this Institution in the settlement of Claims, it being the desire of the Directors to relieve parties from unnecessary trouble or delay, together with the moderate and safe rate of Premiums, and the steadily increasing business of the Society, offer to intending Assurers every advantage that Life Assurance is capable of affording.

ADVANTAGES OF THIS OFFICE.

1. Entire Profits belong to the Assured.

2. No lawsuits—disputes, if any, settled by arbitration.

S M O K Y C H I M N E Y S.

THE SUBSCRIBER has had long and extensive experience in the Curing of Smoke; has thoroughly studied the subject by making himself acquainted with those simple but inexorable laws of nature which determine *aërial* currents under every condition, and without a knowledge of which parties may profess, and sometimes may be successful, in Curing Smoke, but they are just as likely to do harm as good.

This knowledge is the great desideratum needed to qualify one for Curing Smoke; and it were well that Architects paid a little more attention to this matter, for it often severely taxes the knowledge of the Smoke Doctor to remedy their errors.

Were Testimonials considered necessary, the Subscriber might give them; but they savour so much of the *quack*, and have been prostituted to the vilest of purposes, till honest men are ashamed to use them. Nor has he been patronised by Royalty, for he hopes, for the comfort of her Majesty and the credit of scientific gentlemen, that she, at least, is free of this nuisance.

The Subscriber may be consulted on Smoke, by letter or otherwise, at his Slate-yard, 78, John Street.
